

Bible Hero

Peter on Water

When they reached the boat Jesus calmed the strong wind and stormy weather. The big waves that had scared Peter and made him sink melted away

- Think about the things in your life that make you sink.
- Have a talk with your group and if you feel ok sharing, talk about when you feel you are sinking. At the end of the conversation pray, asking Jesus to help us with the big waves we face in life.

This boat looks a little lonely, can you decorate the ocean during your conversation

How I feel about my...

I self I parents I siblings I responsibilities I school I work I friends I community I faith

Bible Hero

Peter on Water

When they reached the boat Jesus calmed the strong wind and stormy weather. The big waves that had scared Peter and made him sink

- Think about the things in your life that make you scared, when do you have to be brave and have courage like Peter?
- Jesus pulled Peter out of the waves and helped him back into the boat, when we pray we can ask Jesus to help us with the things that scare us.

This boat looks a little lonely, can you decorate the ocean

I want to ask Jesus to help me with

I want to thank Jesus for
