

Act like a snake with sound effects

Sing a song

Pull a face that makes people laugh

Pat your head and rub your tummy at the same time

Dance

Pretend to be a chicken laying an egg

Crawl around in a circle acting like a sheep

Shake hands with everyone

Draw a moustache on your face

Croak like a frog

Pretend to play a drum-kit

Try to touch your nose with your tongue

Walk around in a circle backwards

Tell a joke

Tickle someone until they laugh

Introduce yourself using a silly voice
