

INSTRUCTIONS

Cut out all the shapes on this page. Glue the pull tab to the inside of the little girls back, & glue the tops of her head together.

Cut a Z slits in the bed shape between the parallel lines. Fold the bed, the table, & the background.

Slide the pull tab through both slits with the girl laying on the bed. Add glue to the tab on the little girl, placing her so the head is on the pillow.

Attach the bowl of food to the table, & stick the furniture in the places indicated on the background. (& the speech bubble anywhere you wish)

Pull the tab and watch her sit up.
