Cut out all the shapes, fold along the lines. Glue the tabs onto the house where indicated. Attach the roof. Glue the cloud support in position, add glue to the other end of the support and fold the card closed to get the correct position. Glue the house and other supports in place using the same method. Add any remaining decoration

Dear Gaius,

You are faithful in what you are doing for the brothers and sisters, even though they are strangers to you. They have told the church about your love. Please send them on their way in a manner that honours God.

Peace to you.  
John
