

Jesus Taught using Symbols
The Samaritans knew about
the mountain and the temple
Jesus told them about
the harvest and the water

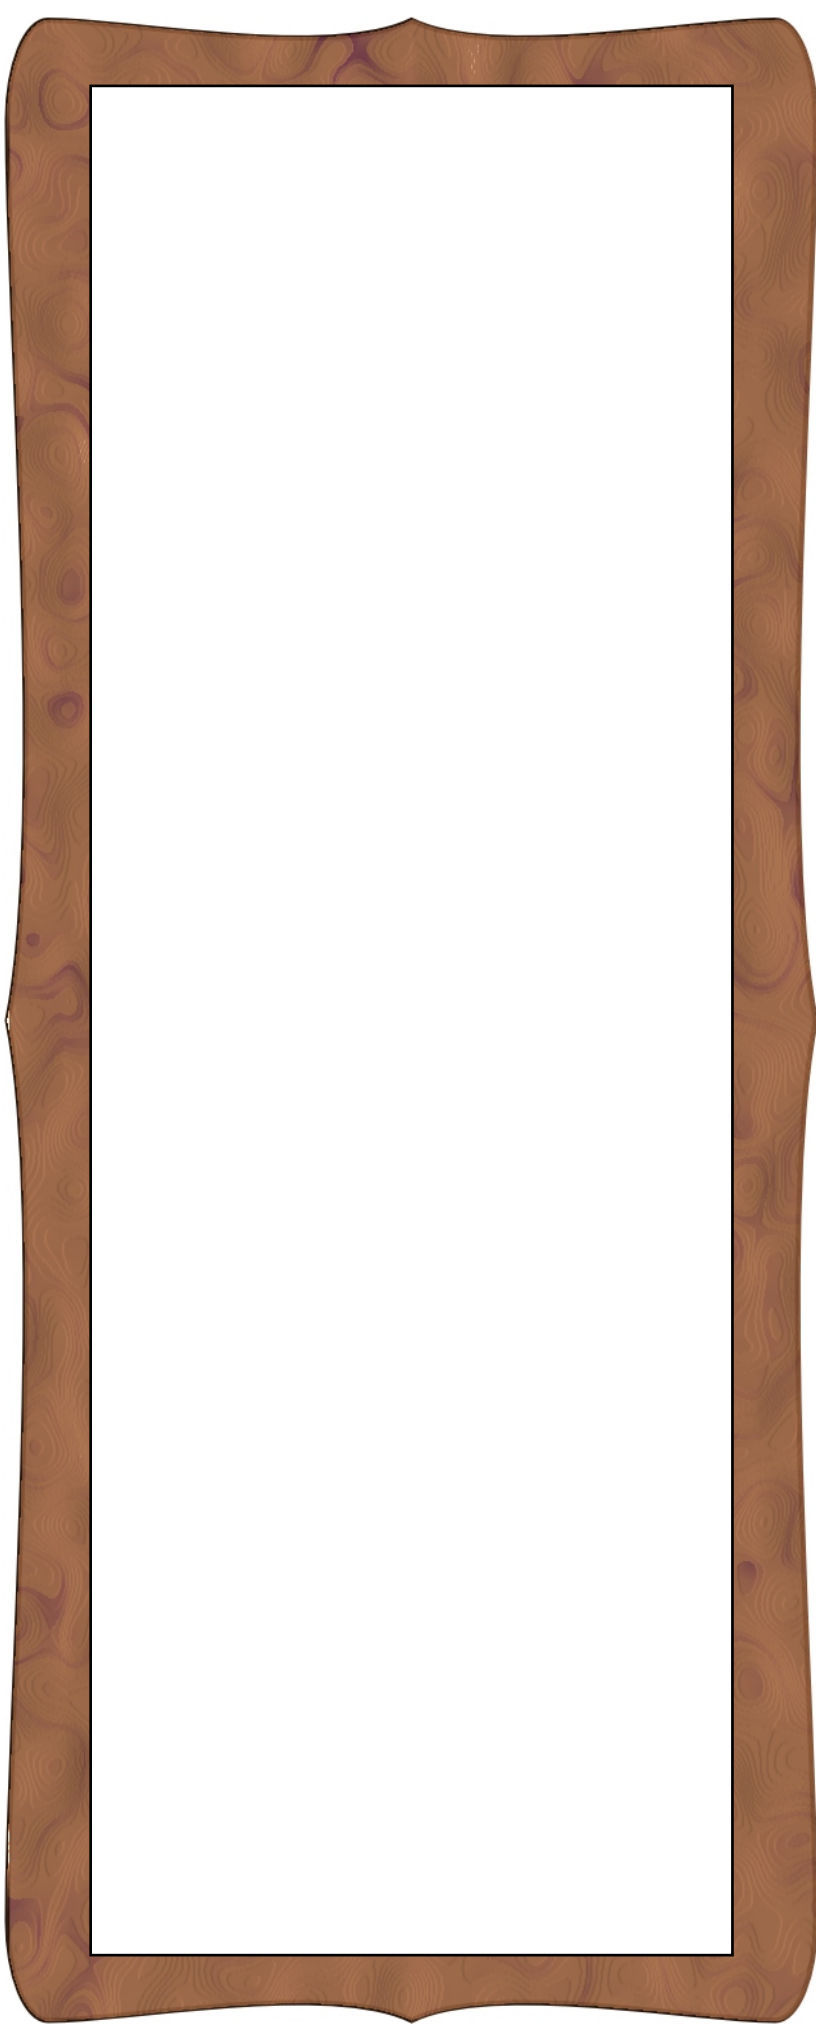

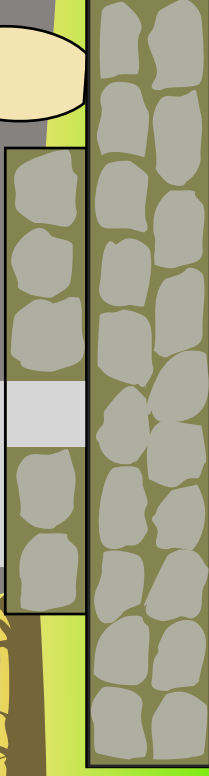

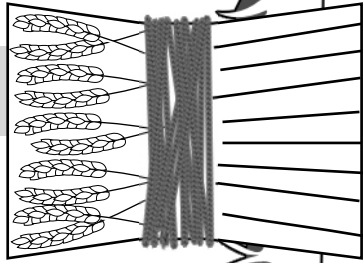

The Harvest of people ready to meet God through Jesus
The seeds of faith had been planted and grown
the disciples needed to gather in the grain.

The Samaritans worshipped God on the mountain, the Jews worshiped God in the Temple
Jesus would make a way for them to God so they could worship with the Holy Spirit.

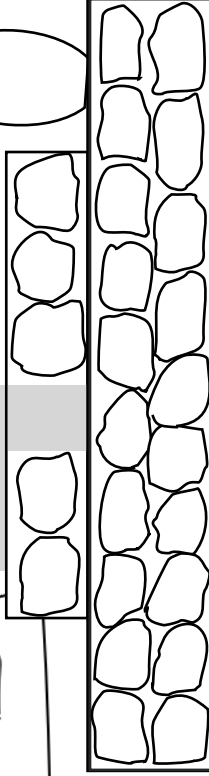

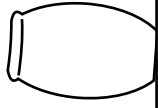

The Well gave water for your body,
Jesus gave water for your whole life,
water that would never leave you thirsty.
