

Instructions

For this craft you will need glue, scissors, colouring pens or pencils, and this printout. Add some colour to the template. Cut out the 2 shapes below. Be careful as you go round Nathanael. Fold along the lines that divide the 2 pictures. Glue the 2 pieces back to back, working from the fold. You can always trim any overhanging edges later. Use your flip picture to tell the story of how Nathanael went from praying under a tree to joining the disciples of Jesus.

For reference : James and John are the 2 strong bearded brother, Peter has his foot showing, Philip has head gear and Andrew has his prized fish hooks.
