Blind Bartimaeus

Beyond our sights...

Bartimaeus couldn't see... circle the ways he could find out about the world.

smell

taste

sound

temperature

hunger

movement

touch

vision

pain

speech

Look at the things you have circled, think carefully about how Bartimaeus would have known Jesus was nearby, how many circled words could he have used?

Bartimaeus was given his sight by Jesus, but that didn't mean he could stop listening, or touching, or tasting...

What can you see from where you are sitting, sketch it here

What do you hear?
write it in here

What can you smell? Can you smell anything? Draw it below

Bartimaeus was a beggar, as a beggar the most important thing he had was his cloak but when Jesus called Bartimaeus left it behind. What do you think Bartimaeus had heard about Jesus to make him so sure he would be healed?
