## Judas

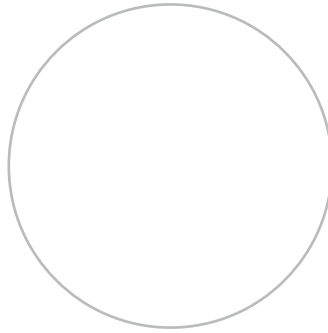

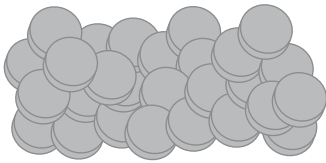

### 30 Silver Coins

Find a coin and place it beneath the circle on this paper, rub the design through!

Are there 30 coins here?

If not, how many more or less do you need?

Let's have a closer look...

What colour is the coin?

Silver

What picture is on the coin?

Can you see any letters?

Where does it come from?

Tyre

Who would use this?

Judas

The coin above is a Tyrian Shekel - it's a silver coin, just like the 30 Judas took for betraying Jesus. 30 pieces of silver was a lot of money, some people say 'everything has a price' do you think this is true?

Circle the things where money makes no difference

health

taste

education

intelligence

opportunities

parents

love

travel

creativity

pets

Why do you think Judas wanted Jesus arrested?

What happened to the 30 pieces of silver at the end of the story?

How did Jesus react when he was arrested?

Judas wasn't the only disciple to get the wrong idea, which other disciple had a sword ready for the fight?
