Philip : The Apostle

Passing along the Invitation

Philip was really good at inviting people to meet Jesus,
Philip thought Jesus was wonderful so he wanted to share him.

What do you get so excited about that you want to share it with your friends?

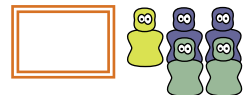

How many people are in this room.

Imagine each of them invited two people to join you, how many would there be now?

Now imagine each of those people invited another friend too... now how many people do we have?

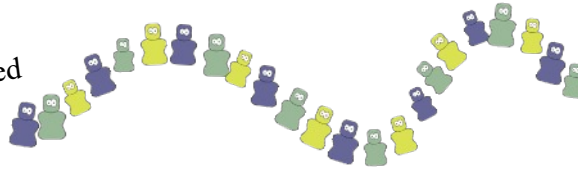

People, like Philip, inviting their friends to come meet Jesus helps the church to grow.
How did you come to know Jesus? Who invited you? - decorate the blank people.
