Jonathan

Secret answers

Jonathan needed to send a secret message, follow the colouring code to reveal how he did this.

% = (brown)

= (blue)

? = (green)

& = (grey)

Jonathan had a code that involved shouting 2 different sentences... circle why this was a good code.

It sounded ordinary

There was a secret handshake
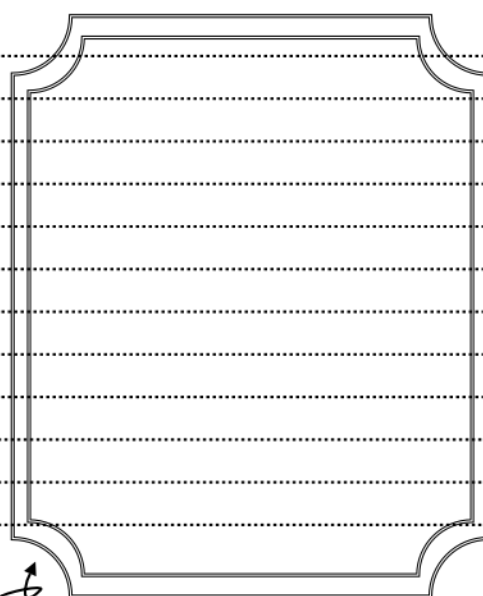

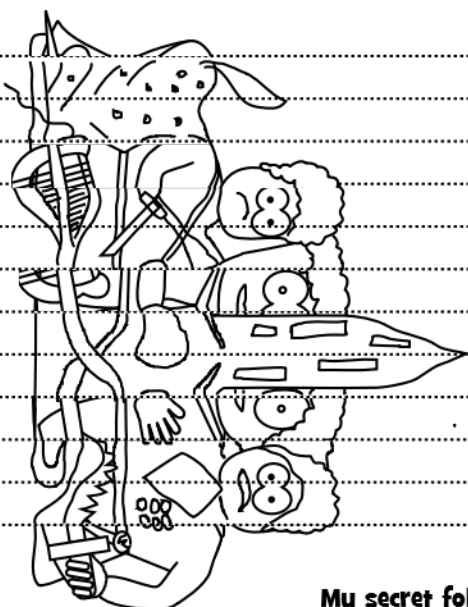

The servant couldn't see David

The servant didn't know it was a secret message

Jonathan was doing something odd

It was confusing

Why do you think it was important that nobody saw Jonathan talk to David?

Fold the sheet along the dotted lines to find what this is a picture of, colour the picture you find.

My secret folded message
