Miriam

Run little girl, run!

Think about why you run....

Do you enjoy running?

Yes always

or

No, not really

**Sometimes,
but not always**

Have a think about the following questions, discuss them with a friend if possible:

What did Miriam's mummy risk?

What did Miriam risk?

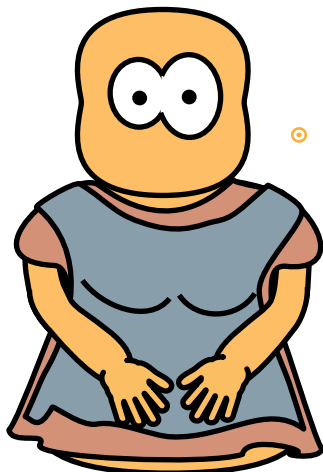

What did the Pharaoh's Daughter risk?

Even though the plan worked, perhaps better than expected, do you think it was a good plan?

Yes

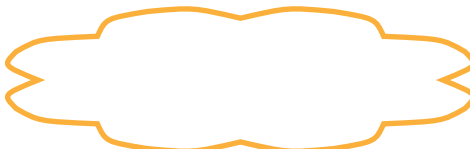

or

No

Imagine this is Miriam's mummy as Miriam returns from the palace...

- Does she look worried, sad or happy?
- What may she have been thinking as she first saw Miriam?
- Is her outfit complete?
- Can you draw her hair or head-scarf or both?
- Does she wear jewellery or decoration on her clothes?

Help Miriam through the reeds to reach her brother
