Aaron & The Manna

Filling the food basket

The Israelites had been travelling for a few weeks, circle what they had seen God do for them so far:

Hide them
through the night

Guide
with a fire

Guide
with a cloud

Provide
bread

Protect
their animals

Plagues

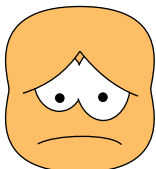

Make them
wealthy

Stop
an army

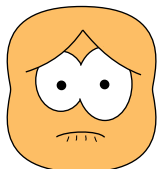

Part
the sea

Provide
meat

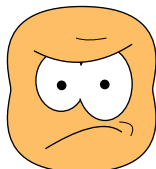

How were the people feeling in today's story?
At the beginning? After Aaron spoke to them? At the end?

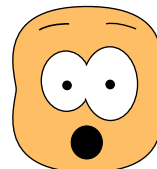

miserable

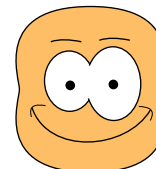

anxious

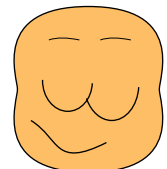

grumbling

surprised

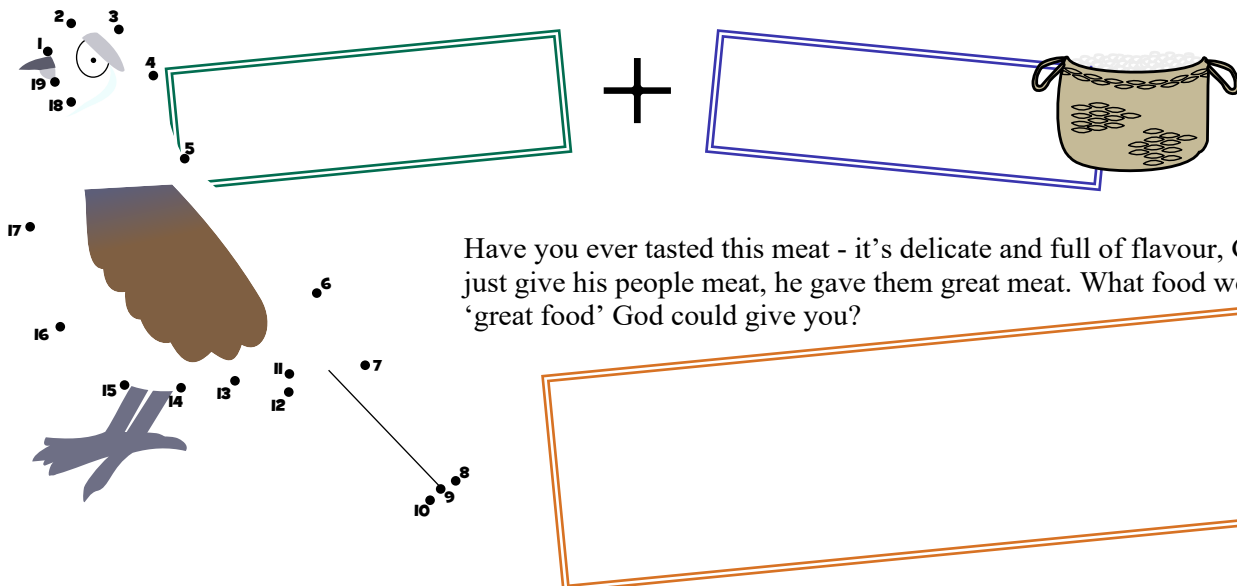

confident

smug

God provided the food for the Israelites, what did he give them? Join the dots.

Have you ever tasted this meat - it's delicate and full of flavour, God didn't just give his people meat, he gave them great meat. What food would be your 'great food' God could give you?

Read numbers 11:8 and label the process for making bread.
