

You'll need:

Scissors,
glue stick.
(Thick card optional)

Instructions

- There are 2 ways of making this coin.
- Either just cut the faces & a circle of thick card or craft foam
- Stick the two coin faces either side.
- OR Cut out all the parts
- Fold each side of the long thin part backwards
- Fringe each part (use the lines if it helps)
- Clue the tab at the end to form a circle.
- Add glue to each coin face and fix together,
