

You'll need:

Scissors, glue, craft knife.

Cut around the shapes.

Instructions

Cut along the bold black lines on the yellow piece to make a tongue. Fold along the dotted lines in both directions.

Glue the small yellow rectangle at the end of the tongue to the grey box on the pull piece. Centring this helps.

Glue the people onto the white box on the yellow piece.

Add glue to the white edges of the purple piece and glue on the back.

Pull the tab to make the people will stand up and reveal the other words.
