

You'll need:

Scissors,
ribbon or
elastic
& glue.

Instructions

Cut out.

Cut the fringe part on the lower part of the face, and fold each section to a right angle.

Add glue to the fringe pieces.

Starting from one end, attach the top of the face to the lower part of the face.

Add glue to the forehead slit tab, and glue the face together.

Attach elastic, ribbon, or strips of paper or elastic to the two side tabs to wear your hat.
