

You'll need:

Scissors,
hole punch,
2 split pins
(brads)
card
(optional)

Instructions

Best if printed or backed onto card.

Cut out around the shapes (don't need to be exact).

Punch four holes where the small circles indicate.

Thread a split pin through the handle and the off centre hole in the arms piece.

Thread the second split pin through the body and the middle arm hole.

Pull the handle gently, and David's arms will wave as he dances.
